

Skilled Ground Worker

Groundworkers are members of construction staff who carry out drainage, utility and foundation works. General Operatives are responsible for doing manual work which could range from assisting skilled operatives and tradesmen, to general site duties including concrete works.

Previous experience in reinforced concrete, general groundworks and foundations is preferred.

This is an opportunity to join a well-established Guernsey business which works hard to support and improve the skills of its staff.

This is a permanent position offering a competitive hourly rate and benefits package.

Key Skills

- No educational requirements for this role but we would like you to have the ability to meet the physical demands of the job
- Working in a team
- Communication Skills and the ability to follow instructions
- Committed to upholding safety rules
- Driving licence is preferred but not essential.
